

Project no. 2 – 2023-03-02- Styling a table using CSS and use of Tableless Tables

Resources

<https://www.digitalocean.com/community/tutorials/how-to-style-a-table-with-css>

<https://careerkarma.com/blog/css-tables/#:~:text=CSS%20provides%20a%20number%20of,and%20height%20of%20a%20table.>

Tasks

1. Use an External CSS file in order to define the different styles
2. Redo the previous exercise using a tableless table
